EARLY this year my dad decided to take up golf. One day he was practising in the back garden. After about 10 minutes my mother and I heard a crash. We ran through to the kitchen and saw that the window was broken. My father was sitting on a chair reading his paper with a rather innocent looking face.

Helen Shepherd, Aberdeen, Scotland

I should tell your dad to take up tiddlywinks. Ed.

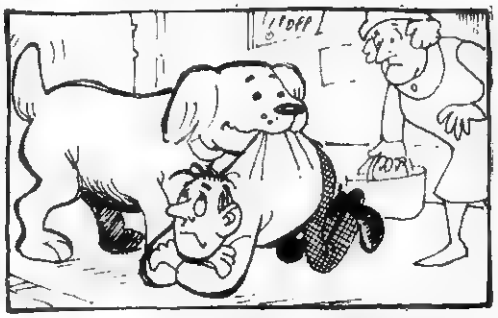
I HAVE three dogs and one puppy who are all whippets. Their names are Joey, Jingle, Penny and the puppy's name is Sally. The puppy is very naughty, because it chews nearly everything to pieces. I've got one big cat called Fluffy. My favourite comic characters are Tich and Quackers.

Jane Robinson, Suffolk

The photograph shows Jane with the whippet pup.

I WOULD like to tell you about Jason my dog. There is a newsagent three doors away from our house and every Sunday he fetches the Sunday paper for my daddy. He also carries his meal home when he goes shopping with mummy. My favourite story in TV Comic is Popeye.

Karen Bailey,
South Wigston, Leicester



Dogs that carry the shopping home are quite common, but I heard of a dog that used to bring shopkeepers home! I didn't believe a word of it!
